

KCA Referral Incentive Form 2023-24

This **Referral Incentive Form** denotes the involvement of any family, or individual, that refers a new family that enrolls children at Koinonia Christian Academy. As per our **Referral Incentive Program**, this family or individual will receive a **\$500 tuition credit**. The family that they refer will receive a **\$500 tuition credit** as well.

The \$500 Referral Incentive can be taken as a **tuition credit** by the individual, or family, **or be given as a credit to another KCA family**. The tuition credit is not transferable to cash. There may only be one tuition credit awarded for each new family registered. However, if multiple individuals or families are involved in referring the same new family to KCA, the incentive may be split equally.

This form must be completed during the application process. The \$500 tuition credit will be awarded **after** the new family has been registered in KCA for one semester.
